

## *Welcome to the Uraidla Hotel!*

All the wines belonging to this list have been carefully and thoughtfully selected and come from our very loved community of the Adelaide Hills, with a homage to the best of all the other regions and countries can offer.

Here at The Uraidla Hotel we think that support our local, talented winemakers is a must do and we strongly believe in those producers who put the best of their efforts to respect the terroir and make wine with integrity. All our wines reflect this philosophy and most follow sustainable, organic, and biodynamic principles.

We believe our wine list represents a balanced mix of many different styles that can be enjoyed with or without food to show off their personality and character.

We hope you'll enjoy our selection as much as we do and we encourage everyone who wants a little `wine trip` inside our list to ask assistance from our wine team in order to get the maximum enjoyment and fun.

Although every effort is made to ensure that all wines listed are always available, we apologise in advance if the wine that you have chosen is unavailable or has moved on to the subsequent vintage. We make every endeavour to delete listings when they are depleted and, in the interest, of saving trees reprint the list quarterly.

## DOMAINE PRIEURE ROCH

Domaine Prieuré Roch was founded by Henry-Frédéric Roch in 1988, a co-director at Domaine de la Romanée-Conti, one of the most mythical wines in the world. The wines of Prieure Roch are highly sought after and is recognised as one of the finest producers in Burgundy.

Farming is strictly organic, letting the terroir and the fruit express themselves. Yields are very low for the region, and the harvested grapes, picked at the optimal stage of health and ripeness, are carefully sorted before being fermented by whole bunches with stems intact.

In general, Prieure Roch wines are pure, organic, lifted-floral with wildness on the palate, seeking to reach the purest and most natural expression possible of the Pinot Noir grape from the greatest vineyard sites in Burgundy.

## LES GRAND VIN DE BORDEAUX

The historic 1855 Bordeaux Classification stands as the single most important and famous classifications of any wine region in the world.

It is the result from the 1855 Exposition Universelle de Paris, when Emperor Napoleon III requested a classification system for France's best Bordeaux wines that were to be on display for visitors from around the world. Brokers from the wine industry ranked the wines according to a château's reputation and trading price, which at that time was directly related to quality.

The wines were ranked in importance from first to fifth growths (*crus*). All of the red wines that made it on the list came from the Médoc region except for one: Château Haut-Brion from Graves.

Almost 160 years later, this historic document continues to stand the test of time, with almost no changes. In fact, since 1855, the official classification of Bordeaux wines from the Medoc has only allowed two modifications!

The 5 first growths Grand Cru Classe:

2006 Chateau Latour 1eme Grand Cru Classe Pauliac, Bordeaux \$1999

2005 Chateau Mouton Rotschild 1eme Grand Cru Classe Pauliac, Bordeaux \$2199

2006 Chateau Lafite Rotschild 1eme Grand Cru Classe Pauliac, Bordeaux \$1799

2003 Chateau Margaux 1eme Grand Cru Classe Margaux, Bordeaux \$1850

1989 Chateau Haut-Brion 1eme Grand Cru Classe Graves, Bordeaux \$3800
