

Welcome to the Uraidla Hotel!

We are located in the heart of the Adelaide Hills, on the traditional lands of the Peramangk Nation. In our humble opinion, Adelaide Hills is the most exciting, dynamic and quality wine region in Australia. It was from this region that Australian Cool Climate wines and the Low-Intervention wine movement leapt onto the world stage, forever changing the perception of Australian Wine. We are proud to be from the Adelaide Hills, with this wine list being a celebration of the wines from this region.

Here at The Uraidla Hotel, we think that supporting our local, talented winemakers is a must. We strongly believe in producers who put the best of their efforts to respect the terroir and make wine with integrity. All our wines reflect this philosophy, and we like to highlight single vineyards following sustainable, organic, and biodynamic principles.

We hope you'll enjoy our selection as much as we do, and we encourage everyone who wants a little 'wine trip' inside our list to ask assistance from our wine team in order to get the maximum enjoyment and fun. We also encourage you to visit our cellar 'The Tank' as we are always adding to our collection where you're bound to discover something new!

Due to the nature of this selection featuring many limited, unique and boutique labels, availability and vintage may change.

Ochota Barrels

2020 was a difficult year for many reasons, no more so than the tragic passing of Taras Ochota, a local legend and icon of the low intervention wine movement in Australia.

Along with his wife, Amber, they created the label Ochota Barrels in late 2006, going on to make some of the most exciting, establishment challenging and ultimately delicious wines in Australia.

The 2020 Spring and Summer release of Ochota Barrels in many ways were the best wines released under the label, showing that a man that did things his own way and on his own terms, still had so much more to give and will be sorely missed.

We have decided, in the spirit of Taras, not to increase the price of his wines, but to offer the sale of the wines on-premise only, with a limit of one bottle per table, per visit. This will allow us to have our dear friend a part of our cellar for as long as possible. A small portion of his wines will be kept on site – never to be sold.

Mordrelle Blanc de Blancs 'The Wedding Wine'

Martin Moran, the wine maker for Mordrelle, originally made this wine for his wedding in 2010. He kept some back (what he thought was 300 bottles) aging on lees for 10 years. Upon finally disgorging it in 2020, he discovered he had mixed two vintages together, so the Wedding Wine only numbers less than 200 bottles.

Luckily, Martin now stores his vintages separate and continues to make stunning Adelaide Hills sparkling wine. The following vintages both received a gold at the 2020 Adelaide Hills Wine Show.

GRÜNER VELTLINER

Grüner Veltliner, a native Austrian variety, was first introduced into the Adelaide Hills in 2006 by Hahndorf Hill Winery. 2010 was the first vintage released in South Australia, with the grape variety being uniquely suited to the climate of the Adelaide Hills, and great examples being produced. Since then, 27+ other vineyards have been planted with great success – resulting in Hahndorf Hill being awarded the best Grüner Veltliner at the Decanter World Wine Awards in London, 2020. This is a grape variety to watch and one that we will be expanding our collection of.

CHARDONNAY

Here at the Uraidla Hotel, we have a bit of an obsession with Chardonnay. Stunning examples of this varietal are grown and vinified here in the Piccadilly Valley and across the Adelaide Hills, and we love to compare the variety from other Australian and International regions.

TAPANAPPA

A U S T R A L I A

...FROM OUR NEIGHBOURS TAPANAPPA

Tapanappa is Brian Croser's family-owned and run, fine wine enterprise based in Piccadilly. Brian is a legend of the Australian wine industry who barely needs an introduction, but we're fortunate that he frequents our venue - he loves our Uraidla Brewery IPAs, and we love his wines, especially the Chardonnay's from his iconic Tiers Vineyard. These wines display best, the qualities you expect from a Piccadilly Valley Chardonnay, of power, purity of fruit and aging potential.

SOUS VOILE AND OXIDATIVE

...Sous Voile, meaning 'under a veil' are wines that have been aged in barrels where some space is intentionally left where a fluffy, white yeast 'flor' is encouraged to develop on the surface of the wine. This oxidative process develops nutty, sea-briny complexities in the wine and make Sommelier's go weak at the knees.

DOMAINE PRIEURE ROCH

Domaine Prieuré Roch was founded by Henry-Frédéric Roch in 1988, a co-director at Domaine de la Romanée-Conti, one of the most mythical wine producers in the world.

The wines of Prieure Roch are highly sought after and is recognised as one of the finest producers in Burgundy. Farming is strictly organic, letting the terroir and the fruit express themselves. Yields are very low for the region, and the harvested grapes, picked at the optimal stage of health and ripeness, are carefully sorted before being fermented by whole bunches with stems intact.

In general, Prieure Roch wines are pure, organic, lifted-floral with wildness on the palate, seeking to reach the purest and most natural expression possible of the Pinot Noir grape from the greatest vineyard sites in Burgundy.

LES GRAND VIN DE BORDEAUX

The historic 1855 Bordeaux Classification stands as the single most important and famous classifications of any wine region in the world.

It is the result from the 1855 Exposition Universelle de Paris, when Emperor Napoleon III requested a classification system for France's best Bordeaux wines that were to be on display for visitors from around the world. Brokers from the wine industry ranked the wines according to a château's reputation and trading price, which at that time was directly related to quality.

The wines were ranked in importance from first to fifth growths (crus). All of the red wines that made it on the list came from the Médoc region except for one: Château Haut-Brion from Graves.

Almost 160 years later, this historic document continues to stand the test of time, with almost no changes. In fact, since 1855, the official classification of Bordeaux wines from the Medoc has only allowed two modifications!

The 5 first growths Grand Cru Classé:

06	Chateau Latour 1eme Grand Cru Classé	Pauliac, Bordeaux	1999
----	--------------------------------------	-------------------	------

05	Chateau Mouton Rothschild 1eme Grand Cru Classé	Pauliac, Bordeaux	2199

KAESLER

KAESLER

The Kaesler vineyards were first owned by Silesian pioneers who came to the Barossa in the 1840s and took up 96 acres in the Barossa Valley. By 1894 they had planted the entire acreage with Shiraz, Grenache and Mataro as well as some whites. These old vines add intensity to the wines produced by Kaesler, with flavour density and fine structure being the hallmark of these wines.

NEBBIOLO

Arguably Italy's most revered wine grape, Nebbiolo has found a happy home in South Australia. It produces perfumed, expressive, age worthy wines, with great acidity and tannins. These qualities lend itself to matching with many food dishes...or drinking by itself....by the gallon.
